INTEGRATION'S MATHS TEACHER JEROME COSS

PhD in Physics (the University of Lyons (France))

Master's Degree in Journalism (the University of Cairo (Egypt))

He has worked as a researcher and as a teacher in various countries around the world.

He is also a photographer specialising in UNESCO World Heritage Sites. He has taken photos of approximately 250 sites listed for their outstanding universal value. (There are currently 981 sites on this list).

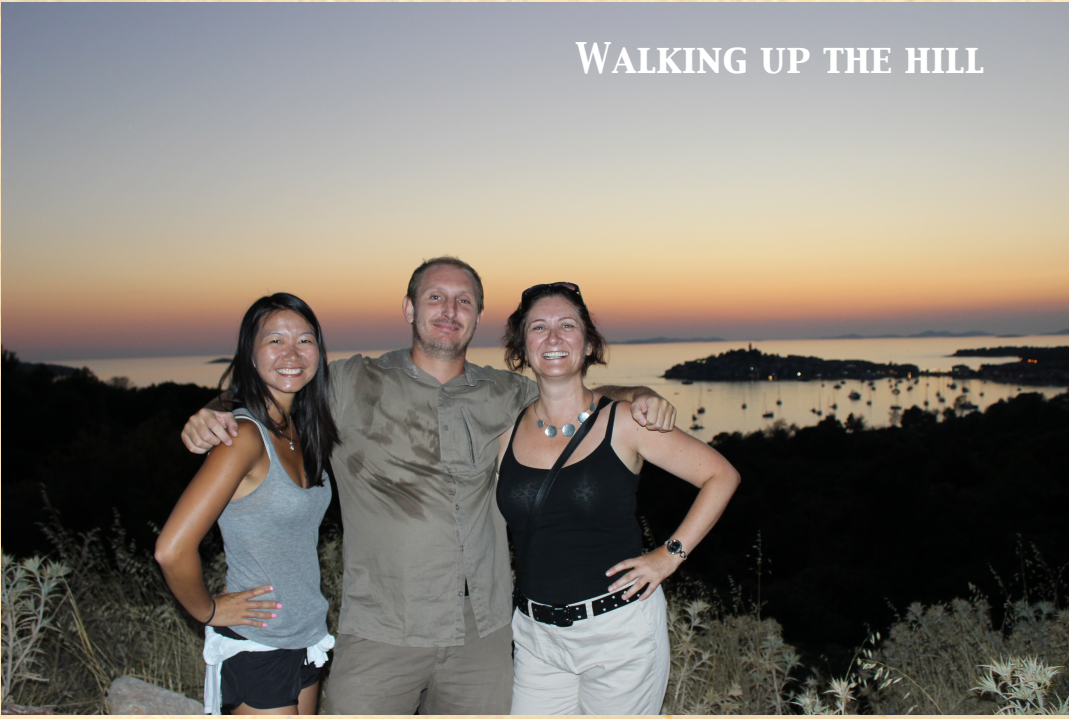

Just like a snail, he can't help moving around. He enjoys a nomadic way of life and travelling the world as an « art de vivre ».

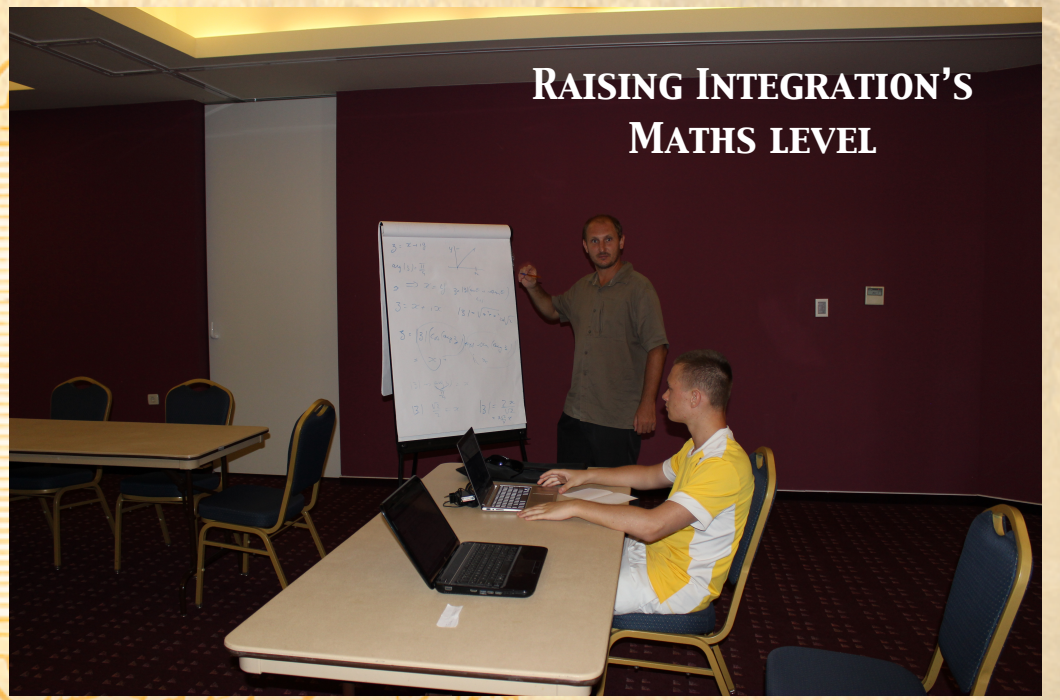

As Nicolas Bouvier said: "You think you are making a trip, but soon it is

making you or unmaking you".
